OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,... (1 Shilling)
 Above $\frac{1}{2}$, and not exceeding 1 ounce,
 1 Rupee, ... (2 Shillings)
 Above 1, and not exceeding 2 ounces,
 2 Rupees, ... (4 Shillings)
 Above 2, and not exceeding 3 ounces,
 3 Rupees, ... (6 Shillings)
 And so on, increasing 1 Rupee,..... (2 Shillings)
 for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bentineck and Hindostan.

Deputy Post Master.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by keeping in attendance at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,

Post Master General.

Calcutta, Genl. Post Office, }

NOTA BENE.—In the event of the Inward Overland Mail at any time arriving at this Office late in the evening, a large Signal Lantern, exhibiting a Coloured Light, will be hoisted instead of the Ball.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

A GREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any

of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in super-scribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

NOTICE.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of water-proof canvas, are procurable at Messrs. Macfarlane and Co., at Co's Rs. Four (4) each.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

Sketches of the Mail Carts are annexed herewith.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters *during the night*, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are *usually delivered* some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

Post Master General.

NOTICE.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus

made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

Sketches of the Mail Carts are annexed herewith.

Post Master General.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by keeping in attendance at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,
Post Master General.

NOTA BENE.—In the event of the Inward Overland Mail at any time arriving at this Office late in the evening, a large Signal Lantern, exhibiting a Coloured Light, will be hoisted instead of the Ball.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

On every letter not exceeding $\frac{1}{2}$ an ounce in weight, ...8 As. or one Shilling.

On ditto above $\frac{1}{2}$ oz. and not exceeding one ounce, ...1 R. or two ditto.

On ditto above 1 oz. and not exceeding two ounces, ...2 Rs. or four ditto.

On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of $\frac{1}{2}$ an ounce..... One Rupee and One Copper Pie.

In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces) in weight can be transmitted per Letter Mail; but if forwarded by Government Baughy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although $\frac{1}{2}$ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3-6-0, viz.

Ordinary Inland Postage,.....	0 14 0 *
Express ditto, ...	2 0 0
Steam ditto, ...	0 8 0
Total Rs.	3 6 0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance.

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is levied according to the prescribed weight, without reference to the quality or quantity of the Paper.

18. No Steam Postage whatever is charged in India on Newspapers sent from this country, but Inland Postage to, and from, Bombay must be paid.

19. Receipts, if required, must be brought ready written, along with the Letters, &c. to the Post Office.

The foregoing explanation is given in detail, for the express purpose of preventing mistakes and consequent disappointment.

Any further change that may, hereafter, take place, will be duly notified.

Post Master General.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

AGREEDABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and

sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in super-scribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the
Community by expediting as far as possi-
ble, the delivery of Overland Letters, the follow-
ing arrangements have been made, and are hereby
notified for public information.

The moment the Overland Mail reaches this
Office, a large black ball will be hoisted half-
mast high, on the mast erected on the roof of the
building.

When the Letters are stamped, sorted, register-
ed and ready for delivery, the ball will be raised
to the mast head.

Parties sending their own Peons with money
for payment of the postage on "bearing covers,"
will of course receive them sooner than those who
wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon
the Office Peons can seldom go out for delivery
before nightfall.

All those therefore, whether Agents or Indivi-
duals, who wish to receive their letters *during* the
night, are requested to make some arrangement
for their receipt and for the payment of postage
charged, by *keeping in attendance* at their House
or Office, when their Letters are *usually delivered*
some person authorized and prepared to receive
and pay for them without delay.

Parties experiencing any improper or unusual
delay in the delivery of their Letters, are request-
ed to communicate the particulars of the case
without delay to the Post Master General.

W. TAYLER,
Post Master General.

NOTA BENE.—In the event of the Inward Over-
land Mail at any time arriving at this Office late
in the evening, a large Signal Lantern, exhibiting
a Coloured Light, will be hoisted instead of the
Ball.

NOTICE.

THE Public are hereby informed, that from the 1st proximo, comfortable accommodation for three Passengers, will be available in the new Mail Carts, which will run between Calcutta and Mungulpore, on the Benares Road, 55 Miles North of Burdwan.

The Carts are constructed of the best materials, and hung on elliptic springs, with moveable coverings of leather and canvas, to protect the Passengers from the sun and rain, when requisite.

Each Passenger will be allowed to take a small carpet bag of the following dimensions, length 16 inches, breadth 14 inches, and depth 8 inches. Bags expressly made for the purpose, of waterproof canvas, are procurable at Messrs. Macfarlane and Co., at Co.'s Rs. Four (4) each.

The Carts will leave the Post Office as the Cathedral Clock strikes Eight.

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

Payment in Cash, or an approved reference, will be required at the time the places are booked.

The charge will be the same as that made for Dak Travellers, viz. (8) Eight Annas per Mile.

It is hoped, that the arrangements now made, and the low rates at which the accommodation is offered, will form the commencement of a new and improved system of travelling on the principal routes throughout Bengal, and if the public are found to avail themselves of the provision thus made for their convenience, further improvements will be effected forthwith, and still more perfect and commodious conveyances established.

When the state of the roads will admit, the whole line of road from Calcutta to Benares, will be furnished with similar or improved conveyances.

GENERAL POST OFFICE NOTIFICATION.

Revised Rules of Postage on Letters, &c. transmitted per Contract Steamers from and to Indian Ports.

A GREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

On every Letter not exceeding Half Ounce in weight—One Shilling, or 8 Annas.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard

to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by keeping in attendance at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

W. TAYLER,

Post Master General.

*Calcutta, Genl. Post Office,

Parties in Calcutta wishing to avail themselves of the accommodation thus provided, will have the goodness to book their places at the General Post Office, two days before that on which they desire to start from Calcutta, stating precisely the number of seats required, and the point to which they are desirous of going.

A GREEABLY to the instructions of Government, the following rates of British Packet Postage, prescribed by a Treasury Warrant, issued under date the 11th September 1845, will be levied from the 1st of May 1846, on all Letters, Newspapers, Prices Current, or Printed Commercial Lists, conveyed from Port to Port in the East Indies, China, &c. by the new lines of Packet Boats, recently put in operation under the additional Contract made by Her Majesty's Government with the Peninsular and Oriental Steam Navigation Company.

Above Half Ounce, and not exceeding One Ounce in weight—Two Shillings, or 1 Rupee.

Above One Ounce, and not exceeding Two Ounces in weight—Four Shillings, or 2 Rupees, and so on, increasing Two Shillings, or One Rupee, for every additional weight of One Ounce or any fraction thereof, according to the scale of weight now in operation in the United Kingdom.

On each Newspaper, whether British, Colonial or Foreign, conveyed between any of Her Majesty's Colonies and a Foreign Port, or between any two Foreign Ports (as for instance, between Calcutta and Manilla, or between Manilla and Macao) One Penny, or Eight Pie.

On each British or Colonial printed Price Current or printed Commercial List conveyed between any of Her Majesty's Colonies (as for instance between Calcutta and Madras) One Penny, or Eight Pie.

On each of the same, whether British, Colonial, or Foreign, conveyed between a British Colony and a Foreign Port, or between two Foreign Ports—Two pence, or 1 anna 4 pie.

The substitutes for the English weights have already been suggested in the Notification of 20th April 1845.

British or Colonial Newspapers passing by the Packets in question, between any of Her Majesty's Colonies, will not be liable to any Postage charge for the Sea conveyance.

The Pre-payment of the British Packet Postage is entirely optional with the sender in regard

to Letters exclusively, and only when conveyed between the Indian Offices of Bombay, Aden, Madras, Calcutta, Penang, and Singapore, and the Islands of Ceylon and Hong Kong, or between any two of the Indian Offices above enumerated, but when despatched to a Foreign Country or Possession, such as China, Manilla, &c. &c., the amount of such Postage must always be paid in advance at the Posting Office.

The Postage chargeable on Newspapers and Price Currents or Commercial Lists transmitted by these Packet Boats, must (in all cases) be likewise paid in advance.

Each Newspaper, Price Current and Commercial List to be put under separate cover. Two or more under one or the same cover will not be received.

These rates are distinct from, and will be levied in addition to, the Indian Inland Postage, when any of the covers are posted at any of the Provincial Post Offices in the interior of the Country, and sent to this Office for despatch by the Packets above referred to, in progress to their respective ulterior destinations.

Parties wishing to pre-pay the optional postage, are particularly requested to be careful in superscribing such of their letters accordingly, as the omission of the term will be considered as an indication of their intention to send the letter bearing, or unpaid.
